

Description: Learn 360 video with Exit Card**How To:**

- show video
- students are not required to write during the video
- after viewing students complete exit card

Materials: video, video player, exit card

Resources: Learn 360 (website = login & password required)

Recommendations: I used this activity as an introduction to a research report assignment. I used the students' answers to the prompt: "One thing that I would like to learn more about is..." to generate topics for the research reports. I also found that it provided context and focus for beginning their research.
